Addendum No. 1

The Special Provisions, and Plans for this project are amended as follows:

Special Provisions

1. Page 95, lines 17 through 24 are deleted and replaced and replaced with the following:

The facilities indicated in Item 2 in the special provision **Order of Work** shall be physically completed in their entirety within the first 18 working days of the contract.

In order to receive a suspension of time between Item 2 and Item 3 in the special provision **Order of Work**, the Contractor shall have physically completed all work included in Item 2. The suspension of time will cease and working days will be counted again when the Contractor begins work on Item 3 activities or on September 24, 2001, whichever occurs first.

2. Page 121, at line 53 the following is added:

(*****)

Electrical Order of Work

The Contractor shall give five working days written advance notice to the Engineer, to coordinate disconnection of existing temporary illumination with the Utility company once the new signal and illumination systems are operational.

Removal of timber-mounted luminaries and disconnection of existing illumination system will be done by the Utility company.

3. Page 124, at line 30 the following is added:

(NWR April 11, 2001)

At each junction box, all illumination wires shall be labeled with a PVC marking sleeve bearing the circuit number.
